PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

This has been a successful year at Manning High School. There were 53 honor graduates in the class of 2001. Seniors were offered more than \$1.4 million in scholarships. There were 53 seniors qualifying for Life Scholarships, and 35 seniors earned academic diplomas by taking rigorous academic courses. An SAT 1000 Club was established for students making at least 1000 on the SAT. A total of 33 students earned this distinction. Manning High School expanded its College Credit Program in 2000-01. This program allows juniors and seniors who qualify to earn direct college credit through Central Technical College at no charge to students. There were 55 juniors and seniors who earned college credits with 28 of these students earning at least 12 hours. Two teachers, Dr. Martha Boswell and Mr. Robert E. Briggs III, earned National Board Certification in 2000-01. Mr. Michael Haynes was named South Carolina FFA Teacher of the Year. Manning High School boasts the largest and best FFA Chapter in the state under his leadership. MHS has established a distance education classroom to provide opportunities for students to take a wider range of courses. There are four other state-of-the art computer labs in the building, all connected to the Internet with high-speed connections. In addition, all classrooms have computers that are Internet connected. This is in keeping with Manning High School's commitment to remain on the cutting edge of technology. A chapter of the Parent-Teacher-Student Association (PTSA) was established in 2000-01. I challenge all parents, teachers, and students to become members as we strive to make Manning High School the best it can possibly be.
